**OH, GERTIE, DID YOU SEE MABEL'S NEW SPRING DRESS?**

It's the Dearest Thing in Taffeta That You Can Imagine, and Guess Where She Bought It?

"On my word I never saw such a stunning dress. It's that good grade of taffeta that has lots of luster and shows quality all over. It was made in the new tight waist and wide hip effect and is trimmed with the prettiest little colored yarn flowers and gold ribbons."

"Why, Gertie, I never saw anything to equal it at the price of only \$19.85, and let me whisper a secret to you, she bought it on credit, yes, she says that she paid only a small amount down and she's paying a little every week."

"Why, Mabel's enthusiastic over this plan of buying clothes. She says it seems just like she's saving that much every week because she might spend the money other ways and then never have the dress."

"Isn't she a dear? She says she hardly misses the small payments and the people she bought it from are so nice and courteous all the time. Where did she buy it? Why at McClanahan's, the liberal credit store, at 215 Washington, of course. Advertisement."

**APRIL AND THINGS.**  
Did you get fooled yesterday?  
If you didn't you got a poor start this month.

Getting fooled once a year and enjoying it is good for the soul. It's like taking a bath after a dusty hike.

All refreshed you hit the pike for another year.

Those wise guys who would not pick up a purse on All Fools' day are likely being fooled all the year. And they are too wise to know it.

They are like the chap who shut himself up in the office one morning after he had been bothered by several book agents. Along in the afternoon came a chap who inquired for him. "He's out," said the office boy. "Give him this note," the office boy was told. What the boss read gave him heart failure. It was something like this: "Dear Ed—I am sending you—with that \$1,000 that I borrowed two years ago. If you are not in he was instructed to return it to me by mail. I am leaving today for the Orient."

**April Showers Bring Forth May Flowers.**

Jade is proposed as the new birth stone for April, instead of the diamond. Black or white. Bet you the white hope wins.

There was a movie star who had perhaps the most difficult role of her career in a picture at a local theater. "Mother day. She took the part of an actress."

"Mr. ——— gained considerable notoriety as a 'fame'."—Salt Lake Trib. Such is fame.

**THE OPTIMIST.**  
Oh, it's great to be an optimist. In many different ways. He never has a dismal croak. Only words of praise.

"Business fine, depression gone. 'Things are looking up.' 'Merchants are rejoicing.' 'Whose orders fill the cup'."

But let him go into a store. And he will rant and holler. When he hands out fifty cents. And gets a two-bit collar.

The same way with his rent grob. His clothing and his daily. His pay is gone before it's earned. And he wonders where it went.

Oh, it's great to be an optimist. And spread around the smiles. While the duns take all your cash. By sundry tricks and wiles.

April 16 is Easter Sunday. Going to be a lotta millinery sold in the next two weeks.

Dear Hectic: "How can I get the boys to notice my new Easter hat?" Mabel. Add six inches to the bottom of your skirt.

A reformer over in Salt Lake complains to a newspaper that some lawless merchant has a model in his window, all dressed up "with a cleare," he almost shouts, "poised in one hand." Ain't that terrible?

Notable events in April 1st: All Fools' day; today, Passion Sunday; 12th, Titanic sunk, 1912; 13th, Jefferson born, 1743; 14th, Good Friday; 16th, Easter Sunday; 15th to 20th, San Francisco earthquake, 1906; 9th, Palm Sunday; 23rd, Shakespeare born, 564; 25th, U. S. declared war on Spain 1898; 26th, Confederate memorial day; 27th, U. S. Grant born, 1822.

# BIG EATERS GET KIDNEY TROUBLE

Take Salts at first sign of Bladder Irritation or Backache.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish, the eliminative system clogs and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Advertisement.
